

## Emerging Green Builders – Inland Empire 2009 MEMBER KICK-OFF EVENT

**COME LEARN ABOUT ALL  
YOUR LOCAL EGB CHAPTER & GET INVOLVED!**

**WEDNESDAY, FEBRUARY 25<sup>th</sup> from 7pm-8:30pm**

**Location: University of California, Riverside**

**Room: Bourns A125**

**RSVP to [greenbuilders.ie@gmail.com](mailto:greenbuilders.ie@gmail.com) by February 23<sup>rd</sup>**

### What EGB is about:

- 1.) Promoting green industry and connecting students and young professionals to green job and internship opportunities
- 2.) Learning and becoming involved with the Green Building sector

Benefits for members include: Networking opportunities with green industry professionals, including members of the U.S. Green Building Council – Inland Empire chapter; discounted rates on all USGBC-IE events, LEED preparation and other educational courses, and national green conferences; and opportunities to participate in events such as green tours, environmental film screenings, speakers on green topics, and meetings with people interested in the green movement.

**EGB-IE mission:** *Establishing a network of students and young professionals in the Inland Empire who promote innovative development and sustainability practices to benefit our environment and our community.*
