Vision: USGBC-Inland Empire "Building A Green Empire"

Mission: "To promote sustainable strategies and responsibility for the Inland Empire's environmental legacy and built environment, fostering a healthy, prosperous and improved quality of life."

Why Here? Why Now? We have reached a sector-wide critical mass throughout the Inland Empire (IE) Region that is demanding information, education, and practical tools for sustainable development and community building practices.

USGBC-IE is committed to building a network of individuals, professionals and organizations from throughout the IE and beyond, for the purposes of information exchange, on-going education, and advocacy. It is up to each of us as individuals, professionals and organizations to come together to explore the possibilities and to collaborate for the long-term benefit of the

Inland Empire Region and the viability of our Planet. We invite you to come learn with us, to share what you know and to make a difference.

Annual Chapter Dues:

- \$50** (if you or your company are already a National USGBC Member)
- \$65** (for non-National Individual Members)
- \$35** (Emerging Green Builders and Students)
