Join us for our first Breakfast Roundtable as we explore the Sustainable Sites credits. The morning will begin with networking over a light breakfast, and get down to business with an overview of the Sustainable Site credits, followed by roundtable discussions to learn more about the credit applications in each of the LEED rating systems (NC, CI, CS, EBOM.)

- **Lead Presenter:** *Zolna Russell, ASLA, LEED AP (HCM)*
- **Discussion Leaders:**
  - *Peter Doo, AIA, LEED AP (Doo Consulting)*
  - *Brad Jones, PE, LEED AP (Century Engineering)*
  - *Diana Gutierrez, LEED AP (Right Way Environmental)*
  - *Joe Burkhart, RLA, LEED A.P. (Mahan Rykiel)*
  - *Doug Millar (Eneractive Solutions)*

Each breakfast roundtable this year will focus on one category of credits, so mark your calendar for:

Water Efficiency	April 3, 2009
Energy and Atmosphere	June 5, 2009
Materials and Resources	August 7, 2009
Indoor Air Quality	October 2, 2009
Innovation in Design	December 4, 2009
