

MARYLAND

SEE THE GREEN: Marks Thomas Architects

Join us for a tour of the LEED CI Gold Certified Project

USGBC Maryland is pleased to present “See the Green: Marks, Thomas Architects”, Baltimore City’s first LEED Commercial Interiors Gold certified project.

Architect/Client:
Marks, Thomas Architects

Developer/Contractor:
Azola Building Services

MEP Engineer:
Schlenger Pitz & Associates

Cx Agent:
Kibart, Inc.

Spend an evening enjoying appetizers, drinks, and guided office tours followed by a panel discussion addressing lessons learned and design strategies employed to achieve a LEED CI Gold certified office on a limited budget. Some of the unique features include a heat recovery unit as part of the HVAC system that substantially reduces energy consumption, studio furniture designed for reuse and reconfiguration in new office space, and the innovative installation of surplus carpet tiles. Panelists, including the architect and owner / contractor, will touch on adaptive use, product selection, documented benefits and cost savings, and how the project impacted their projects going forward.

Tickets for the event are \$15 for members, \$25 for non-members and \$35 for all the day of the event and at the door (cash or check only), so be sure to register early to get the discount!

Location

**Marks Thomas Architects
1414 Key Highway, 2nd floor, Baltimore, MD**

Date

Thursday, September 17, 2009
