Dear Green Building Advocate:

The USGBC Memphis Regional Chapter is the “front door” to the US Green Building Council. Our mission is to enhance the regional green network by providing educations and networking opportunities. By becoming a chapter sponsor, you and your company will gain visibility in the Memphis Regional green building community. Our membership continues to grow every month and as a sponsor, you have an unprecedented opportunity to reach our members and others that share an interest in green infrastructure, building, design and implementation. There are four sponsorship levels to choose from:

PLATINUM
