

Children's Sustainability Program

Hosted by the Green School Committee of the Montana Chapter of USGBC

January 23rd, 2010
9:30am until 1:00 pm
Bozeman Public Library

Join the Green School Committee of the MT Chapter of USGBC as they engage children in the world of green and sustainable thinking. They will learn about the green features at the Bozeman Public Library, participate in a fun-filled recycling game and then make a musical instrument with recycled materials. They will then be treated to a local sack lunch from Food For Thought.

Schedule:

- | | |
|--------------|--|
