

## USGBC - St. Louis Regional Chapter

### **Designing with Nature: Sustainable and Responsible Stormwater Management**

Munsell McPhillips  
Principal Scientist, Intuition & Logic

***Can green design in hydrological engineering mitigate natural systems and events, ranging from everyday storm runoff to hurricanes and major flooding? Hear how applying natural lessons to stormwater management can provide sustainable solutions.***

***AIA/CEU credits available***

#### ***When***

Tuesday  
January 10, 2006  
5:30 – 6:15 pm Networking  
6:15 – 7:30 pm Program

#### ***Where***

Missouri Botanical Garden  
Monsanto Center  
4500 Shaw Boulevard  
St. Louis, Missouri

#### ***Fee***

Free to USGBC-STL Chapter members and students  
\$20.00 for Non-members

#### ***To register***
