

## 3<sup>rd</sup> Annual St. Louis Regional Green Building Showcase

It seems as though green building gains momentum every day. This year's Green Building Showcase will feature some of the LEED registered projects that are keeping green building in the local spotlight!

Come hear from local building owners & design teams about how they are incorporating LEED in to the following local projects:

- CitiMortgage in O'Fallon, MO
- Express Scripts building at University of Missouri – St. Louis
- Monarch Fire Station in Chesterfield
- Monsanto Data Center
- St. Louis University's Health Science Center Research Building
