May meeting minutes

- April meeting minutes were approved

Membership

- The idea of bringing a guest to a program was very successful and should be continued.
- Membership is working on a new member packet which will include the voucher for one free program.
- Member recruitment is moving ahead, and contacts are being made through the national website.
- Next meeting is June 20th at Forest Park Community College at Noon.

Sponsorship

- Workshops with funding from Ameren to include High performance design using LEED as the benchmark.

Programs

- May program was a success
- June program will be on renewable energy focusing on wind and fuel cells.
- October program (product expo) will concentrate on restorative design in conjunction with a more comprehensive program for design professionals the next day at the workshop.
- June 7th is next meeting

Communication

- Press release was distributed to various media for the May program.
- Letterhead is moving forward
- Heather Thomalson has been brought on board to be in charge of the local ad campaign.
- Next meeting is at noon on June 7th.

Outreach

- Rollin Stanley meeting on Government advocacy was very successful. The presentation is being polished.
- Four area universities received a packet on green building. SIUE, Webster University, SLU & Maryville. Could a presentation be in order to promote the idea to the Universities.
- Stakeholders subcommittee has a very broad target and should be narrowed down to target smaller groups.
- LEED NC workshop is in the works for September.
- Next meeting is June 23rd

National

- Chapter Retreat was well attended by 25 different chapters. Communications between regional chapters was promoted.

Next Meeting
