

4th Annual St. Louis Regional Green Building Showcase

With green building, climate change and other environmental issues all over the news these days, it's easy to be overwhelmed! But it's just as easy to get excited about the progress in green building over the last year. St. Louis now boasts 10 LEED Certified Projects and over 60 LEED Registered Projects.

Come learn about four local building projects that are pursuing LEED certification:

- Solae Headquarters, presented by Cannon Design
- Frieze Harley Davidson, presented by Gary Karasek
- Engelmohr Residence by Belcher Homes, presented by Maren Engelmohr
- Cottleville City Hall, presented by Cottleville Mayor or City Engineer
