

USGBC-St. Louis Regional Chapter & Grow Native!
present . . .

A Sustainable Landscaping Panel

This program will feature three diverse projects in the St. Louis area that boast numerous sustainable landscaping and low impact development strategies.

- ***How to fit all your outdoor LEED credits into 2200 SF, and still have room to eat your lunch***, by Mary Deweese, Acorn Landscape Architecture
- ***Urban Glade Restoration In The Public School Setting***, by William Bennett, Gateway Elementary, St. Louis Public Schools
- ***Design and Construction with Natural Area Management in Mind***, by Ben Grossman, St. Charles County Parks and Recreation

When

Tuesday, June 12, 2007
5:30 – 6:15 pm: Networking
6:15 – 7:30 pm: Program

Where

21 O'Fallon Building (home to the William A. Kerr Foundation)
21 O'Fallon (63102) – north of the Landing near the Riverfront trailhead
