

## 4<sup>th</sup> Annual LEED Building Tour: *St. Louis Community College New Wildwood Campus*

This year's LEED Building Tour will feature St. Louis Community College's new Wildwood Campus. The campus will be constructed in several phases – all will incorporate LEED. We'll be touring the campus' first facility, a 75,000 square foot building opening July 30, 2007 and seeking LEED certification at the Gold level.

The building and campus boast numerous green features, including:

- 20 acres set aside for non-development
  - Native prairie plantings
  - Daylight harvesting
  - 30%+ Energy & Water Savings
  - Green Roof
  - 80,000 gallon rainwater cistern
  - High indoor air quality
  - Over 95% normal construction waste diverted & recycled or reused
- ... And much more!*
