

Transit Oriented Development

By Thomas R. Shrout, Jr,
Executive Director, Citizens for Modern Transit

The expanded Metrolink system brings new opportunities for greener development and car-free living to St Louis. Please join us to learn about plans for transit-oriented development in the region.

Thomas R. Shrout, Jr. is the executive director of Citizens for Modern Transit. Founded in 1993, Citizens for Modern Transit is an award-winning not-for-profit organization that leads advocacy efforts to expand light rail as the critical component of an integrated, affordable and convenient public transportation system that will enable economic growth to improve quality of life in the St. Louis region.
