

QUIETLY GREEN AWARD

CRITERIA

Quietly Green Award is designed to recognize individuals, groups or organizations who are innovative, who have embraced sustainable building, or are pro-active practitioners of sustainable building. This can be demonstrated in a number of different ways, which the Awards Committee is looking forward to review and evaluate.

This award will recognize an individual, group or organization that has demonstrated a commitment to the evolution of green building, promoted awareness of the movement and embodies the attributes and innovative spirit of a green building leader.
